Gentlemen:

We are advised by the Aeronautical Chamber that you will make a photograph of the Gold Medal presented by congress to Colonel Lindbergh which was designed by Laura Goldin Fraser of New York for \$3.

We want you to make a photograph of the front and rear views of the medal in order that we can make a cut as per the penciled layout.

I am enclosing a check for \$6.50 which would be at the rate of \$3 per view and Air-mail postage. Since our only information was that you would make a photograph for \$3 we are assuming that this is for each view. If there is any difference you may make this refund.

We are particularly anxious to have these two views as soon as you can possibly get them to us. We will be holding the January issue of the *ACTIVIAN* and will therefore greatly appreciate your immediate cooperation.

Thanking you in advance for your cooperation,
we are

Yours very truly,

Gentlemen:

Attention: Alton M. Lonheim

I am herewith sending the prints of the Lindbergh medal. The first negative we made did not prove successful and we had to make it over. This accounts for the slight delay. The price is, as you state, \$3.00 a negative, that is, a negative for each side. I am herewith enclosing a receipted bill.

Very truly yours,

HW: JG
